Marks Of a Spiritual Leader

For Greater Reflection

II Corinthians 12:11-12

Do you hold respect and reverence for the Leaders in your life (Work, School, Church)?
If not ... why?

Do you see yourself as a Leader, chosen by God? If not ... why?

In what sphere of influence has God placed you in a position of Leadership?
In that place do you lead for the Lord or for yourself?

Action: Ask forgiveness from someone you have disrespected in a position of Leadership in your life.

12:13-19

Do you display the characteristics of someone who is ...
Patient with those who frustrate you?
Self-sacrificing towards those in need?
Trustworthy in your dealings with people?
Reverent or respectful to the things of God?

Action: Pray or share with an accountability partner one of these areas that is a struggle for you.
Ask God to help you grow in this area in the next month.

12:20-21

Do you regularly repent of sin in your life?
Can you see how sin has caused division and sorrow in your life?
In the life of your family? In your workplace? In your business? In your church?

Action: Journal this week or write a letter to God about areas of unconfessed sin in your life.
Ask him to forgive you and replace the pain and sorrow with joy and freedom.
