

Notes from Sunday 9.6.09

Verses: Matthew 13:44, Romans 5:1-11, Colossians 1:19-13;
2 Corinthians 6:3; 1 Peter 1:3-1-9; 1 Peter 2:9,10; and
Matthew 6:19

Prayer: Considering praying these things when you wake up, at lunch and before you go to sleep for the next week or month.

"Lord help me see the reality of my heart. What do the things I have been engaged in reveal about the value I have for your kingdom? Am I responding to your kingdom's worth or am I trying to somehow be deserving of it? Help me to accept the love of your kingdom, find rest in it, and respond to it in hope. Is there anything you want me to change in order to more fully demonstrate its worth? What do I need to confess to you? Help me to recognize its presence."

If you incorporate this into your prayers over the next few weeks, feel free to write to me and tell me how it informs and affects your walk with God.
